

If you think your child is eligible for a place at school from 1st June 2020, please email springwood-ao@springwoodheath.co.uk using the contact form request for a place at Springwood Heath Hub attached.

Please ensure you complete this as this will be used to ensure we have the correct number of staff each day. There is a possibility that if we are not expecting your child we may have to turn you away. This is to ensure the safety of staff and other pupils, so please ensure we are aware that you require a place.

Alternatively, if you do not meet the criteria above but would like your child to access provision, please complete the form and outline your reasons and we will be in touch to discuss if we are able to offer support. This will be dependent on numbers and the risk assessments put in place to ensure a safe return to school.

Request for a place at Springwood Heath provision from 1st June 8am-4pm	
Name of parent/carer	
Name of child/ren
