

# CAN YOU HELP?

## DONATIONS NEEDED HELP MAKE OUR SCHOOL MORE INCLUSIVE

Springwood Heath is a fully inclusive school in South Liverpool teaching mainstream children alongside children with additional needs within the same classroom. This approach to learning is beneficial to all children and leads to a school with a caring and nurturing environment where all children are encouraged and celebrated. The school strives to include all children in every aspect of school life. There are fantastic play areas in the school playgrounds for the children to enjoy. We have a number of children who are wheelchairs users and we are desperate to provide play equipment that allows these children to have the same wonderful outdoor experience as their friends. As we are a mainstream school we are unable to access funding for this specialist equipment. A wheelchair swing costs £11,500 and a wheelchair roundabout £11,000. It would make such a difference to their school experience if our less physically able children were able to join in on the play equipment with their friends.

### **We are looking for:**

- **Donations from individuals.**
- **Donations from businesses.**
- **Donations of good quality/sought after prizes that we can raffle to raise funds (eg signed memorabilia/theatre experience/days out).**

**If you would like to make a monetary donation please visit our just giving page –
