

Friday 10th May

Introduction

What a fabulous turn out we had last week for our family bingo! It was great to see the hall jam-packed with families having fun whilst raising money for the school. A huge thank you to the local businesses below who donated some fabulous prizes for the event.

Next week, we have our Y6 SATs assessments taking place in school. On behalf of all of the staff, I would like to say an enormous well done to Y6 over the past few weeks for their incredible efforts preparing for these tests. The children have all made phenomenal progress across the curriculum and will be going to secondary school in the summer with a

very strong foundation to build upon. We would like to wish each and every one of them luck for next week and look forward to celebrating the end of the tests next Friday with a day of fun in the sun!

Final reminder, please ensure your children come to school with a full water bottle (can be refilled throughout the day), a cap and wearing sun cream as the weather heats up and we enjoy this fabulous weather.

Bags to School

To raise money whilst helping the environment, the school council are taking part in a bags to school project. The bags to school scheme asks every family to have a clear out over half term and bring a bin bag of old clothes to school for collection. Our collection date is Thursday 4th July and we will accept bags from Monday 1st July. Not only does this save clothes from landfill but also, school receives 40p for every kilo. An average bin bag of clothes weighs 8kg so if every child brings a bag of old clothes, we could potentially raise over £700!

BAG DROP – Monday 30th June – Thursday 4th July under the gazebo on the playground.
