

Springwood Heath Primary School

'Success through Caring and Learning'

Friday 20th December

Introduction

The past week has been a joyful celebration of the festive season, showcasing the incredible talents and community spirit of our school. Our nativity performances were nothing short of magical, reminding us all of the wonder and innocence of this special time of year. A huge thank you to the staff and children for their hard work in bringing these performances to life.

We also enjoyed the highly anticipated Springwood's Got Talent show, brilliantly organised and led by our school council. The creativity, confidence, and enthusiasm displayed by our children were truly inspiring. It was a joy to see so many of our pupils shining on stage and supporting one another.

Our Christmas Fair, organised by the dedicated Friends of Springwood Heath (FOSH), was another highlight of the week. It was wonderful to see so many families come together to enjoy the festivities. The Santa's Grotto was a particular hit, bringing smiles to all the children who visited. I want to extend my heartfelt thanks to FOSH for their hard work and commitment in making the event such a success. Your efforts in pulling everything together are greatly appreciated by everyone in our school community.

As we head into the Christmas break, I encourage everyone to focus on what truly matters. It's not about the presents or gifts but the quality time spent with loved ones and the memories we create together. These are the moments that our children will treasure most.

I wish you all a very Merry Christmas and a Happy New Year. Enjoy this special time with your families, and we look forward to welcoming you back for the spring term, rested and ready for more learning and fun.

Mrs Costello
Headteacher
